COSMETICS - Manicure and Pedicure

Spa Manicure , Aqua Pedicure , Toe nail cut & polish

A relaxing treatment, containing everything necessary, to look your best for any occasion. Our instruments are sterilized and your treatment consists of clip, file, cuticle clean, foot scrub, massage and paint. Your Aqua Pedicure treatment includes a Callus Peel, we continue to work on your feet as the Skin Softening patch begin to work, it is blade free process and promotes a hygienic approach without compromising results.

Shellac

Shellac is a nail product that lasts for at least 14 days without chipping, scratching, or smudging. Lasting 14 days is an accomplishment all by itself but shellac does even more. Many women have noticed that their nails are stronger and healthier after using shellac. Not only does it not damage your nail but it improves your nails health.
